This September *Miracles for Kids* invites you to join us for the 2017 Night of Miracles Gala: **IMAGINE A MIRACLE.**

Journey into the vivid world of imagination where the possible lives, dreams are built, and hopes soar. It will be an exquisite evening, lighting the senses with vibrant sounds, sights and spectacle – all dedicated to raising funds for critically-ill children and their families in need.

This elegant evening will feature incredible live and silent auction items, savory cuisine, fine wines and spirits, and live performances throughout the evening designed to spark your imagination and blur the line between dream and reality to a place where miracles are possible.

The 2017 **IMAGINE A MIRACLE** Gala will be a night unlike any other, bringing the community together once again, in celebration of our beloved Miracles for Kids children and families.

Please join us for this very special Night of Miracles Gala, and **HELP RAISE FUNDS FOR THOSE WHO NEED US MOST.**

With love,

Miracles for Kids

Who we are

MIRACLES FOR KIDS' families not only face the possibility of losing their child to a life-threatening illness, but also fight bankruptcy, depression, hunger and homelessness. MIRACLES FOR KIDS is one of the only organizations on the West Coast dedicated to alleviating these stresses, but we need to do more.

We believe families fighting for their children's lives shouldn't have to worry about becoming homeless or going hungry.

PLEASE HELP DO MORE FOR THOSE WHO NEED US MOST.

Imagine a Miracle for our families & children

Your generosity and support of this special evening will help provide stability and comfort to a family battling for their child's life - and for them, this is a miracle.

With your help, we can...

PAY THE BILLS - They don't stop when tragedy hits. We keep the lights on and water running for families with critically-ill children.

HOUSE - Miracle Manor keeps families housed and under one roof so they can focus on fighting for their child's life.

HEAL - Families are given the tools to cope with the trauma, grief and stress associated with caring for and living with a critically-ill child.

FEED & CLOTHE - We help meet the day-to-day needs of families.
